

## FREQUENCY EXCHANGE ANNOUNCES CHANGES IN MANAGEMENT AND BOARD OF DIRECTORS

VANCOUVER, BRITISH COLUMBIA – September 12, 2022 – Frequency Exchange Corp. (“Frequency Exchange” or the “Company”) (TSXV: FREQ ) is pleased to announce that its wholly-owned subsidiary, FREmedica Technologies Inc. (“FREmedica”), has appointed Nicole Sullivan as President of FREmedica effective September 6th, 2022.

Ms. Sullivan has been with FREmedica since 2017, most recently serving the company as Vice President. She came to FREmedica with a wealth of experience in a variety of roles, as well as having flexed her entrepreneurial muscle in the complementary health arena formulating and marketing her own aromatherapy blends over a 14 year period.

“Nicole is the lifeblood of this company and has made it possible for us to achieve much of our success so far. Her contribution to the success of WAVE 1 for Lyme Disease, and now bringing NIKKI, our new frequency wearable, to market has been significant,” says CEO Stephen Davis.

“I am proud to be part of this incredible company and team,” says Sullivan. “With our just-released research demonstrating that NIKKI is hitting it out of the park with pain relief, reducing stress and anxiety, providing an energy boost and generally contributing to overall improvements in wellness and performance, I couldn’t be more excited for the future.:

“Nicole has been a big part of building on the success of our WAVE 1 for people struggling with Lyme Disease,” says Davis. “We are now ready to bring this successful technology to many more people this fall with our new NIKKI device and a suite of frequency packages that have proven to significantly improve people’s lives.”

Frequency Exchange also announces the resignation of Ms. Mary-Lynn Bellamy-Willms from the Board of Directors and as President of the Company. The Company would like to thank Ms. Bellamy-Willms for her time serving as President and as a member of Board of Directors.

Frequency Exchange is pleased to announce that it has appointed Nicole Sullivan to the Board of Directors of the Company effective September 8, 2022.

### **About the Company**

The Company is a British Columbia-based company focused on the development and commercialization of a frequency emitter that delivers a special package of frequencies designed for the health & wellness and performance enhancement markets worldwide. NIKKI is the fifth generation frequency emitter released by the Company. It is the third wearable technology designed by the Company, initially to deliver frequencies to help clients with chronic Lyme disease. The technology combined with the frequencies is the result of years of development and experimentation with the latest in bio-energetic technology.
