FREQUENCY EXCHANGE CORP

MEET NIKKI. INVESTMENT OPPORTUNITY.

YOUR Personal Frequency Delivery System that you wear. FREmedica is using patented bioenergetic technology to deliver a wide range of wellness programs designed to support and encourage better health.

WHAT WE DO

We acquire and develop bioenergetic-based wearable technologies designed to deliver frequencies that improve wellness and performance. Through our wholly-owned subsidiary, FREmedica Technologies, we create technology that delivers affordable and life-enhancing wellness programs to consumer markets world-wide.

HOW IT WORKS

We have licensed “patented” technology that enables us to engage with the body to optimize cellular communication. When the body has balance through proper cell cellular communication wellness issues diminish, and performance improves.

FREMEDICA

NIKKI is a frequency delivery system. FREmedica uses NIKKI to deliver wellness programs specifically for Lyme disease and general wellness.

Our Wellness Program provides a wide range of frequency-based solutions around sleep, low energy, pain, allergies, viruses, bacteria and stress: all of which are delivered from NIKKI, our personal frequency delivery system you wear.
