Healthy America 2025 offers the connections and momentum we need to advance our work and amplify our voice in the Health and Wellness marketplace.

About Frequency Exchange Corp.

Based in British Columbia, Canada, **Frequency Exchange Corp.** is publicly traded under the trading symbols TSXV: FREQ; OTC: FRECF (www.FrequencyExchangeCorp.com). Frequency Exchange acquired FREmedica Technologies Inc. in 2022. FREmedica is now a wholly owned and operating subsidiary of Frequency Exchange Corp. FREmedica's business is focused on the development and global commercialization of "NIKKI", a Wellness Technology delivering frequency-enhanced Wellness Programs. NIKKI means "Victor of the People"; bringing wellness programs to all walks of life. FREmedica began with the development of a specialized Lyme support program designed to help people struggling with Lyme disease. Now FREmedica, through NIKKI, delivers Wellness Support Programs to assist with issues including sleep, pain, energy, immunity, sports enhancement and more.

NIKKI delivers Wellness Support Programs with the intent to restore and improve communication in the network of trillions of cells that make up the human body. Strong cell communication is essential to good health. Health can be disrupted by physical, mental and emotional trauma. For example, poor sleep can be a symptom of pain, stress, and fatigue stemming from poor cell communication. NIKKI delivers specific frequencies into the body for the purpose of restoring proper cell function. Categories of Wellness Programs continue to grow. NIKKI Wellness Technology combined with frequency-based Wellness Programs is the result of years of development and experimentation with advanced bioenergetic technology. In third-party quality-of-life testing over an eight-week period, NIKKI proved to provide an unprecedented level of benefits ranging from better sleep and reduced pain to less anxiety and greater energy, with 90% of the test subjects experiencing improvement in overall wellness.
