

FREQUENCY EXCHANGE SIGNS WITH REVIVA DISTRIBUTION UAE

For Immediate Release

VANCOUVER, BRITISH COLUMBIA – August 20, 2025 – Frequency Exchange Corp. (“Frequency Exchange” or the “Company”) (TSXV: FREQ, OTC: FRECF) is pleased to announce the signing of an International Distributor agreement with Dubai-based REVIVA, distributing products throughout the Middle East. “NIKKI” will be the first technology of its kind to enter the UAE.

Ali Nached, Founder of REVIVA states, “NIKKI is a perfect fit for REVIVA and the UAE market because it blends advanced frequency-based wellness technology with a sleek, premium aesthetic that aligns with the region’s demand for cutting-edge, science-backed self-care. Its focus on immunity, stress, sleep, and travel recovery directly addresses the wellness concerns of the UAE’s high-performing, health-conscious consumers. With an overload of supplement brands in the UAE, NIKKI offers a different, holistic experience that resonates deeply with the tech-forward, wellness-oriented lifestyle that REVIVA believes in.”

“Our new partnership with Ali Nached, founder of REVIVA, and Operations Director of La Bonne Sante by PHARMAPAL, will launch “NIKKI” into the UAE. “NIKKI” will support their extensive product line and provide a far superior customer experience through frequency enhancement. Frequency Exchange Corp continues to open international retail markets through professional sports, clinics throughout the USA and as a guest on a cable documentary on frequencies that will be broadcast this year giving “NIKKI” international exposure. Our products are in perfect alignment with REVIVA, and we are thrilled to be moving forward with Ali and his group of companies.” Says **Stephen Davis, President / CEO of Frequency Exchange Corp.**

About Frequency Exchange Corp.

Based in British Columbia, Canada, Frequency Exchange Corp. is publicly traded under the trading symbols TSXV: FREQ; OTC: FRECF (www.FrequencyExchangeCorp.com). Frequency Exchange acquired FREmedica Technologies Inc. in 2022. FREmedica is now a wholly owned and operating subsidiary of Frequency Exchange Corp. FREmedica's business is focused on the development and global commercialization of "NIKKI", a Wellness Technology delivering frequency-enhanced Wellness Programs. NIKKI means "Victor of the People"; bringing wellness programs to all walks of life. FREmedica began with the development of a specialized Lyme support program designed to help people struggling with Lyme disease. Now FREmedica, through NIKKI, delivers Wellness Support Programs to assist with issues including sleep, pain, energy, immunity, sports enhancement and more.

NIKKI delivers Wellness Support Programs with the intent to restore and improve communication in the network of trillions of cells that make up the human body. Strong cell communication is essential to good health. Health can be disrupted by physical, mental and emotional trauma. For example, poor sleep can be a symptom of pain, stress, and fatigue stemming from poor cell communication. NIKKI delivers specific frequencies into the body for the purpose of restoring proper cell function. Categories of Wellness Programs continue to grow. NIKKI Wellness Technology combined with frequency-based Wellness Programs is the result of years of development and experimentation with advanced bioenergetic technology. In third-party quality-of-life testing over an eight-week period, NIKKI proved to provide an unprecedented level of benefits ranging from better sleep and reduced pain to less anxiety and greater energy, with 90% of the test subjects experiencing improvement in overall wellness.
